The King's Award for Voluntary Service

Potential Kids is an award winning charity based in Welwyn/Hatfield which provides learning, social and sports opportunities to neurodivergent children and young people.

We offer a variety of activities and events as well as a range of really fulfilling volunteering opportunities.

Community Updates

Recent Events

We have had an amazing summer at PK! We loved seeing you enjoy the summer activities, including our sessions in the Potential to Grow Garden. Some of you had fun making your own lemonade, and berry cordial, using berries grown in our garden! We also had fun with the sprinklers and water pistols to help keep cool in the hot weather.

Splatter sessions with the Paint Patch were great fun as were our Dungeons & Dragons, 3D printing, Pony Mornings and Magic the Gathering sessions. Photos from some of these sessions can be found below.

First Aid training

The PK Team have also been busy updating their First Aid skills completing certified Paediatric First Aid and Emergency First Aid at Work training. Well done to PK staff and volunteers!

RHS Community Awards 2026

PK are very proud to have received the RHS Gardening with Young People Award 2026, nominated by the Anglia Regional Bloom category! This award is recognising all the hard work and positive impact that our Potential to Grow garden has made on our community. We would like to thank everyone for their support and help making this accessible outdoor space so amazing.

Meet the PK Team!

Emma Boulton

In our Summer Newsletter we asked Angela, CEO, a few questions, as part of our Getting to now the PK Team more. This time, it's Emma's turn! Emma is our amazing Community Engagement Administrator and Volunteer at numerous events and activities!

What inspired you to get involved and volunteer with PK?
I came to PK by a lucky meeting with a PK volunteer who saw my son struggling at a mainstream event and suggested I come along to a PK stay and play session. My son felt so comfortable at PK that he went off and did his own thing so not being good at doing nothing I started helping out doing crafts. Before long I was a regular volunteer and helping out at new sessions and also doing admin. PK is our safe place whatever role I am in, staff or parent I know its a place that my son and I feel safe to be ourselves without judgement

What is your proudest achievement so far?
My proudest achievement is my family. I have 4 amazing children, I can't express how proud I am of them. Every day they do something that I am amazed by. Seeing them grow up makes me remember I've done at least 4 great things in my life.

What three words would your colleagues use to describe you?
I'm definitely considered the organised one, possibly a bit obsessively. I'd hope they would say also that I'm kind and compassionate as this is what I strive to be above everything else.

And finally, please tell us a fun fact people might not know about you?
A fun fact about me is that I make teddy bears.
